

# MURRAY HILLS CHRISTIAN CHURCH SEEKS INTERIM PIANIST

Murray Hills Christian Church seeks an interim pianist to accompany the choir on Wednesday evenings and play for worship on Sunday mornings. Murray Hills Christian Church loves music and supports their musicians.

## **OUR PIANOS**

The upright piano in the sanctuary is a Charles R. Walter and is in excellent condition. There is a Steinway upright in the music room which is used for choir rehearsals. We hope to return to the Music Room after 9/18.

## **TYPICAL WORSHIP**

We are re-opened for in-person worship at this time with a brand new heating/cooling system which adds air filtration. Stylistically, we have rolled our early contemporary worship service into the one at 10:00 am on Sundays.

The praise band, Faith Hope and Love, is part of this worship service. The praise team has its own accompanist with the staff organist/ pianist serving as back up. We also have a four-octave handbell ensemble and several musicians who are capable of ringing solos and belltree pieces.

## **WHO IS OUR IDEAL CANDIDATE**

In time we plan to have a musician in this role regularly. Excellent sight-reading and experience accompanying choirs a major plus.

As a church we embrace what the future holds for us musically and see a place for creativity, collaboration and inclusion on the part of our musicians—"All God's children got a place in the choir!" That leads us to seek someone with a vision for what the instrument is capable of as well.

## **DUTIES AND COMPENSATION**

The interim pianist will accompany the choir on Wednesday evenings and play for worship Sundays.

Compensation will be \$250/week. Additional compensation available for special worships services and rehearsals.

## **PLEASE CONTACT**

Murray Hills Christian Church, 503-524-2430, [murray.hills@comcast.net](mailto:murray.hills@comcast.net)
